At, WellStar, we know each patient's weight loss journey is unique. That's why our experienced bariatric team focuses on more than the number on the scale.

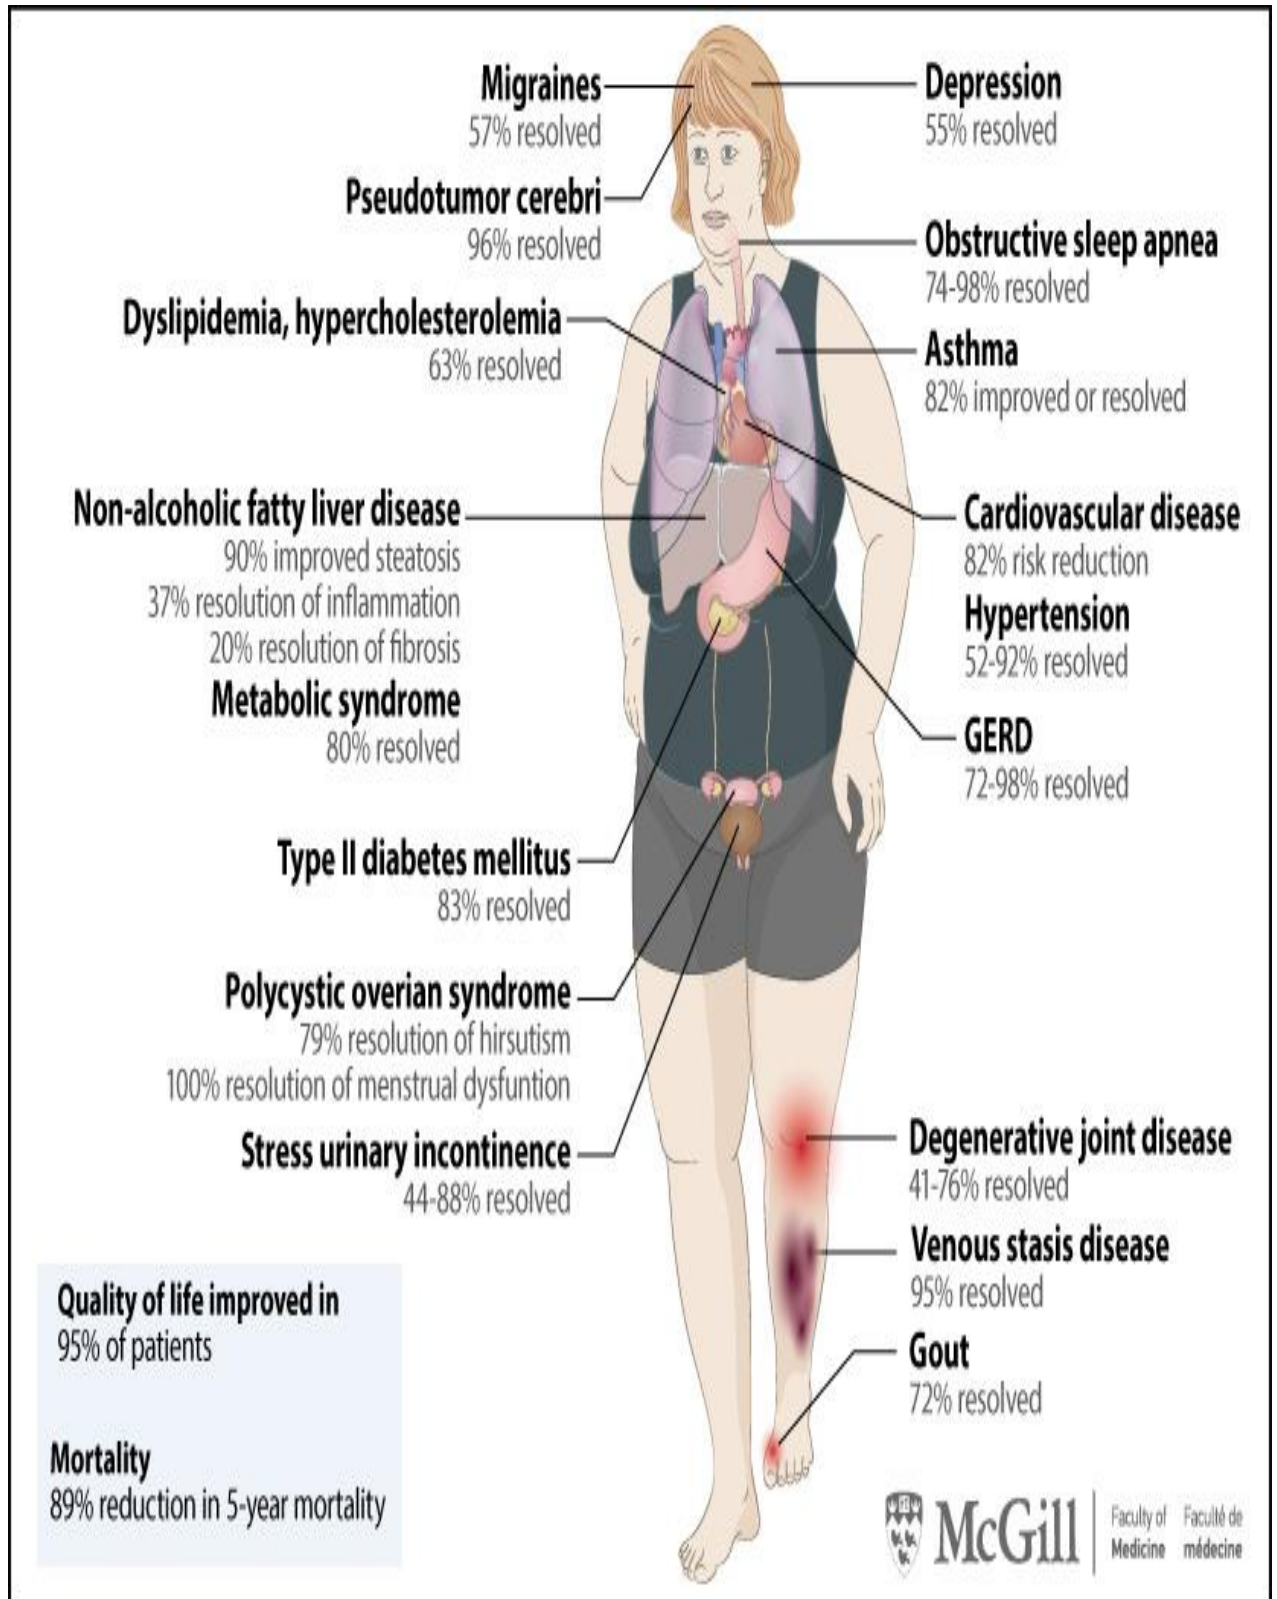

We use a comprehensive approach to weight loss surgery, caring for the whole person's mental, physical, and emotional well-being.

Our bariatric specialists create personalized treatment plans for each patient, including choosing the right procedure. We offer the latest, minimally-invasive weight loss surgeries for the best possible outcomes.

Weight loss surgery has proven to help patients' overall health. Sustained weight loss can help greatly improve and, in some cases, reverse many weight related health conditions.

Services Offered

- ❖ Gastric Sleeve
- ❖ Gastric Bypass
- ❖ Minimally-invasive Robotic Surgery
- ❖ Revision of previous bariatric surgery
